

GBT GmbH now supplies all of the top three drugstore chains in Germany

Toronto, Ontario, Canada - Dueren, Germany, November 11th 2019

GBLT Corp. (TSXV: GBLT | OTCQB: GBLTF | FSE: 4G9) ("GBLT" or the "Company") is pleased to announce that its wholly owned subsidiary GBT GmbH started to supply the biggest of the three drugstore chains in Germany (with more than 3.000 stores in Europe) with private label batteries.

While GBT is already the main private label battery supplier for two of the three biggest drugstore chains in Germany (with more than 4.500 stores in Europe), GBT now added the third and biggest chain to their customer list.

Drugstore chains are still one of the few growing retail chains in Europe and their articles are getting more and more important to the customer. GBLT Corp. is very pleased that GBT GmbH now supplies all three key players which cover more than 90% market share in Germany.

“Our long time strategy to focus on the best quality in the world together with a competitive price, pays off. The quality demand for private label batteries has picked up massively over the last years. It was always GBT’s strategy to build up their reputation and also offer the best quality .” says CEO Dr. Thilo Senst.

About GBLT:

GBLT, indirectly through its operating company, GBT GmbH, is a diversified lighting and battery company and the official licensee for Polaroid light products (LED and all other lighting technology including retail and projects), KODAK energy storage systems (mobile and fixed systems), and AGFAPHOTO mobile energy products (such as batteries).

GBT is focused on capitalizing on the current global trends in the rapidly growing energy storage and lighting sectors through the branding, sale and distribution of electronic products, including some under private labels, for residential and commercial markets. Through its licensing and branding partnership with Polaroid for lighting and mobile energy storage products, GBT has an immediate focus on launching its line of energy storage products in Europe, North America and internationally. GBT is also pursuing various large global commercial lighting projects.
