

GBLT Corp. Receives €1.4m Order for Thermometers from One of Europe's Largest Retailer

TORONTO and DUEREN, Germany, Jan. 19, 2021 /CNW/ - GBLT Corp. (TSXV: GBLT) (OTCQB: GBLTF) (FSE: 4G9) ("GBLT" or the "Company") is pleased to announce that it has received an order of €1.4m for Dr. Senst branded thermometers from one of Europe's largest retailer chains. GBLT anticipates delivering this order in late Q1'21 and into early Q2'21. This is the Company's third order for thermometers from this major retailer, with GBLT now having received a total of €2.8m in thermometer orders from this client.

This third order will see Dr. Senst branded thermometers delivered to European countries that had not been previously carrying the Dr. Senst brand. This continues a planned expansion by the retailer of Dr. Senst Personal Protective Equipment ("PPE") into stores throughout Europe for their chain of stores. The Company anticipates additional orders throughout the remainder of this year as well as continued delivery of FFP2 masks.

"We are very pleased to see continued growth in orders from one of the Europe's largest retailers as we further establish our Dr. Senst brand in Europe," said Dr. Thilo Senst, CEO of GBLT Corp. "Our branding strategy around our products have proven to be highly effective in building loyalty among consumers, which continues to translate into larger contracts with some of Europe's largest retailers."

Dr. Senst continued, "We are still in the very early stages of this relationship and as we continue to grow our brand with consumers, we anticipate additional orders to match this demand. As well, while we are currently delivering both masks and thermometers to this client, as we continue to launch new product lines including our previously disclosed brand of disinfectant products, we expect to see more orders from both this retailer and many more throughout Europe."
